

2011-2012 Dorman Band Business Partners

Local Businesses Supporting Music Education for All Students

The BUSINESS PARTNERS of the Dorman High School Marching Cavaliers are a great asset to the education of our students. With your support, the Marching Cavaliers are able to perform within our community, around the state and across the nation. The following is a break down of partnership packages your company may purchase to help support the Dorman High School marching band. The majority of the money from your partnership is put directly towards a student's band account to help pay for his/her yearly fees including: competitions, travel, instrument, and uniform expenses.
